

# Bivouac Archery

August 29 & 30, 2020

+33 (0)6-08-54-71-30  
www.arcimpact.fr

## 3D Archery Course

A team of archery professionals welcome you to an original location to practice and improve the art of 3D archery.

During this friendly course we will combine the art of living archery and the art of performance for success.

Course in English and French.
